

Data Management Solutions Ltd (DMS)

Payroll

Software and Services

WHO WE ARE

Data Management Solutions Ltd (DMS) is the leading payroll software provider in Antigua and Barbuda. We have more than 25 years experience in payroll software development, service and support - including customized payroll solutions for our clients, at reasonable and competitive prices.

PAYROLL SOFTWARE

- **DMS PayMaster** software is a comprehensive payroll suite to meet all our payroll processing and statutory needs as required in Antigua and Barbuda.

Key features include:

- Salary payments
- Tax calculations
- Accounting Package Integration
- Time, Attendance and Labour Management Integration
- Electronic File Transfer (EFT) payments

DMS PAYROLL SERVICES

- We will professionally do your payroll for you.
- As such, you can reduce your in-house payroll overheads.
- Just send us your payroll and timesheet data via our web portal.
- We will generate employee payslips, and payroll and statutory reports.
- We will send you an EFT file - so you can pay employees via your bank's EFT service.
- You will have online access to your electronic reports.
- We will archive your reports for 12 months.
